MARRIAGE CONFERENCE 2022

WELCOME TO

MARRIAGE CONFERENCE 2022

Welcome to the ONE Marriage Conference! Your presence here today is a great investment in your future! Our goal is for each person to feel Encouraged, Enriched, and Empowered in your relationships. We pray that God will move in such a way that you will not leave out the same way you came! Thank you for being here!

How to Get the Most of Your Time Here:

Be Present - Life is busy and can bring many distractions. We encourage you to silence your phones, emails, and notifications and be attentive. Be attentive mentally, emotionally, and physically. Soak in all that you can!

Be Open - There are so many possibilities of what can happen today. Try not to be “locked in” to your ideas or process and let yourself be free to experience what is in store.

Attend your Breakout Classes and Main Sessions - One of the best parts of the conference is all of the practical knowledge you will gain. There are specific topics that are designed to help you in your relationships.

Connect with Someone New - Build your community with people that you may meet today! Sometimes we think we are alone with our life challenges but we are not. Most likely there is someone here that has the same challenges as you and they may be on the other side of them.

Make a New Goal - You will hear something that is encouraging or inspiring. Make it a goal to do more than listen, also learn and implement. Ask as many questions as you can. If you hear something that you want more information on, do not hesitate to ask.
